Library News

To the residents of the Borough of Bogota,

I would like to take this opportunity to introduce myself as the new Director of the Bogota Public Library. It is with enthusiasm and excitement that I fill this position. My former position was as Media Director at St. Mary's High School in Rutherford, NJ. I obtained my Masters in Library Science in 1997 and have over 6 years experience as a part time Reference Librarian at Montclair State University.

I look forward to meeting everyone in the community as much as possible and hope that I can make your library experience the best that it can be. Please feel free to offer any suggestions or comments that you may have regarding the library and how we can make it a more inviting and accommodating place for everyone in the community to use.

I would also like to add my gratitude to the former director Eileen Mackesy Karpoff, the library staff and those residents whom I have had the pleasure of meeting during my first few weeks here. You have all made me feel very welcome and I anticipate a very productive future ahead.

James D. Bordone, Director
Bogota Public Library

The Rec Building for many years was known as the Rec Hut. This is probably because the luncheonette located there was named "Mort's Hut". The owner was Frank Mortarelli.
