**PLASTIC MILK JUGS**

Rinse out a milk jug and use it to hold  
plastic bags that you collect after shop-  
ping. The jug works as a container and  
keeps the bags from being wind driven  
from the 30 gallon pail at curbside.

Keep Bogota litter free!

**LATEX PAINT**

Latex paint is recyclable. All you need  
do is pop the lid, let the remaining  
paint dry. Once dry dispose of with  
household waste.
