January 1, 2023

Dear Bogota Resident:

It is my pleasure to wish everyone a very Happy and Healthy New Year. This year was wonderful, bright, and extremely positive and I hope that it continues for each and every one of you. We brought our community through the final phases of the pandemic, and continue to follow any safety guidelines to keep you and your families safe.

Once again, I am pleased to present you our new Borough Garbage and Recycling Calendar for 2023. This is your guide for the entire year. There will also be copies available in the Clerk's Office as well on the Borough website in case you misplace it.

Bogota takes recycling very seriously. We continue to explore many new options to enhance the services to our residents and respond to their recycling center concerns. Shared services efforts continue into 2023. Our recycling depot is currently located at Cross Street on River Road across the parking lot from Quick Chek, where it collects many types of recycling such as: used cooking grease, waste oil, cardboard, bottles, cans, used tires, and metal. You may also drop off textiles and shoes at the crime stopper bin Quick Check to support this very successful program. Feel free to call Borough Hall at 201-342-1696 for more information. And, as usual, we will continue to pick up recyclables at your curb every Wednesday throughout the year. Our services have been and will always be generous to our residents. We continue to collect plastic film at the Borough Hall, Library and Police Station bins as well as unused prescription drugs at our police station. The amount of material collected is impressive and helps us maintain our Sustainable Jersey certification that I am personally proud of.

The last few years have been extremely challenging for everyone. We have all gone through a lot and the cost of living has skyrocketed. I know it has not been easy, especially because many of our local families' lives have been changed forever. However, your cooperation, generosity, and encouragement have really been appreciated. We have defiantly discovered Bogota is full of very warm and generous residents and neighbors. Throughout this troublesome time we have never stopped working for you and have not reduced services. I challenge our merchants to enhance and increase their recycling and offer our assistance where needed. Businesses are a vital part of our community. Everyone has the same vision: love for our town and love for each other. Every resident plays a big part in our efforts.

Finally, I applaud all of you for your efforts. I am very proud being your Mayor inside this wonderful community. Always feel free to contact me anytime. Continue staying healthy and safe and always continue to recycle every day.

Sincerely,

*Christopher M. Kelemen*

Mayor Christopher M. Kelemen
