

Minutes of the Virtual Regular Meeting of the Mayor and Council of the Borough of Bogota, held at the Bogota Council Chambers, 375 Larch Avenue, Bogota, NJ, on Thursday, June 3, 2021 at 7:30pm.

Salute to the Flag was led by Mayor Kelemen.

The notice requirements of the Open Public Meetings Law have been satisfied as notice was sent to two newspapers and posted on the Borough Hall bulletin board on February 1, 2021.

Roll Call: Mayor Kelemen and Councilmembers Carpenter, Connors, Fede, Granquist, and Robbins were present. Councilwoman Murphy was absent. Also attending was Borough Attorney Betesh.

Motion was made by Councilwoman Carpenter, seconded by Councilman Robbins, to open the meeting to Citizen Remarks. Motion carried.

Susan Harper commented that the Borough had a great Memorial Day service. She thanked the borough for the requested drawings of the new Recreation Center parking lot at Olsen Park. She said that there are 65 parking spots, and the Borough has not been transparent about the parking lot. She said that more than 40 mature trees are being destroyed for a significant size parking lot. She said that when trees are in blossom, it will be ok, but there is the cement factory and all the high rises being built in Hackensack. She reminded the governing body that this is not their house that she is talking about. She likes that this town is multi-cultural and people are neighborly and work together. She is concerned about the outcome and would appreciate the opportunity to meet with the Mayor and others to have a better understanding of the plans. She said that there does not seem to be tracking of the trees being taken down, and there was one blank bill from 2019 totaling \$22,000.

Idalisa Demetriades asked if anything was happening with the lot on Leonia Avenue. Were there any meetings between Teaneck and Bogota? She sees wires being cut down now.

Motion to close Citizen Remarks was made by Councilman Connors, seconded by Councilwoman Carpenter. Motion carried.

Councilman Connors told Mrs. Harper that he appreciated her passion. He said that he was surprised to hear that there will be 65 parking spots. Parking spots and potential parking are important. Valley National Bank has a private lot for its customers. The other public lots are not that close. The only close public parking lot is by the river. There are about 40 spots there. A full parking lot is needed for Recreation games. He feels that people should not have to be asked to walk a long distance to get to the Recreation Center. He said that the town is saving money using town land. The borough has no control over high rises in other towns. He said that the Recreation Center has been discussed for a long time. He is sorry that she missed some of those meeting. He

does not believe the new Recreation Center will lower the value of people's houses. He believes the center will raise the value.

Borough Attorney Betesh said that after Teaneck granted approvals for the work on 520 Palisade Avenue, Fair Share Housing blocked the progress. The law suit by Fair Share Housing is getting resolved and a new set of plans is being submitted to Teaneck. The plans are incorporating the abstract obstructions spoken about at other meetings. This includes the curb on Leonia Avenue and pavers which will look like grass and a locked gate that was objected to by the Bogota Police Chief and by Mr. Betesh. The developer reached out with a new set of renderings The perimeter of the access gate will be 4 feet, and the perimeter gate will be 6 feet. They are putting together an access agreement to allow the borough to enter the property with a key to the gate. There will be no construction vehicles while the project is going up. This is a long way off. Borough Engineer Polyniak will be discussing the sewers with Teaneck. It will be a while.

Councilman Connors said that Bogota will not be rolling over and letting Teaneck use our sewers etc. He shares the concern of residents. He wants no big trucks on Palisade Avenue which will ruin the streets and cause pollution.

Mayor Kelemen said that Bogota has renovated three quarters of Pine Street from Palisade Avenue to Leonia Avenue and by Fall it will be completed.

Public Hearing: Motion was made by Councilwoman Carpenter, seconded by Councilman Robbins, to open a Public Hearing to obtain citizen input concerning a grant application for the 2021 funding round of the Bergen County Trust Fund Municipal Park Improvement Program: Improvements to Fireman's Park (Block 72.01, Lot 1-246) on River Road. Motion carried.

Carmel Birney expressed concern about a walkway at Fireman's Park. She pointed out that train tracks run there. She also asked where people will park.

Motion to close the Public Hearing was made by Councilwoman Carpenter, seconded by Councilwoman Granquist. Motion carried.

Councilwoman Fede pointed out that there are internal walks at Fireman's Park, pathways through the park. The pathways lead up to the monument. The Community Garden will stay where it is. The water connection will assist with the Community Garden and also water the grounds at Fireman's Park. Mayor Kelemen said that there may be a park bench by the memorial. Councilwoman Fede said there was an initial plan to pave a spot for parking. Vehicles can enter at the rear of the park. The current driveway could be paved, so there could be a few parking spaces if it fits in the budget. There are no trees coming down at Fireman's Park.

Motion was made by Councilwoman Carpenter, seconded by Councilman Robbins, to approve the following Resolution. Motion carried.:

21-108 Authorizing Submission of Trust Fund Application for Fireman's Park Project

Discussion: Closed Session Meeting Leakage: Councilwoman Carpenter motioned to hire an outside investigator to find out who was leaking closed session information. She suggested a private investigator, a police officer or the Prosecutor's office. Councilwoman Fede said that the employee in question for one of the leaked items had discussed with other employees that this issue would be discussed at the meeting. Borough Attorney Betesh said that subject of the discussion was that closed session items were leaked. He said to be mindful of what is being said. Councilman Robbins asked if this is an ethical violation. Mr. Betesh said that sensitive matters to which leaking can occur could prejudice the Borough. There are employee privacy situations. There are limited

circumstances where some things must be kept confidential for a certain amount of time. Councilman Connors said that a resident knew 2 days after Closed session what was discussed and it was on Facebook. Many loose lips tell things. People are seen walking behind people during Zoom in closed session. That is inappropriate. Rules need to be reiterated to the Council members. He feels this is a waste of money to investigate. He said that he saw an email with multiple people on it where closed session items were mentioned. Mayor Kelemen said that this has been going on for years. He said that two or three years ago things were being disclosed from closed session. He said that the day after a Board of Education meeting, people would go to the deli or Rite Aid and discuss closed session items. These are elected officials leaking information. He is not comfortable with Borough Hall being open. He feels there is still work to be done to make it safe to open. He is embarrassed that elected officials leak information.

Motion was made by Councilwoman Carpenter, seconded by Councilman Robbins, to approve the following Resolutions on the Consent Agenda. Motion carried.

21-109 Submit a Grant Application and Execute a Grant Contract with the New Jersey Department of Transportation for the Palisade Avenue Roadway Improvements Project
21-110 Authorize Tax Collector to Prepare and Issue Estimated Tax Bills for 3rd Quarter 2021 Taxes

Motion was made by Councilman Connors, seconded by Councilwoman Carpenter, to approve the following Resolution. Motion carried.:

PC21-10 Payment of Claims

Motion was made by Councilwoman Carpenter, seconded by Councilwoman Granquist to un-table Ordinance #1563 An Ordinance to Amend Chapter 21A of the Bogota Code to Permit Municipal Buildings and Facilities in all Zoning Districts of the Borough. Motion carried.
Discussion took place concerning Ordinance #1563 which would Permit Municipal buildings and Facilities in all Zoning Districts of the Borough. The purpose of the ordinance was to permit 31 Fairview Avenue to be for Municipal Use. There was concern among the Council members about allowing all zones to grant permitted use to Municipal buildings and Facilities. Concern was expressed about the Recycling Center being built across from the Swim Club. Councilwoman Carpenter said the Recycling Center was discussed in 2018 and 2019. It went out to bid. Councilman Robbins suggested putting the Recycling Center in the back of the Swim Club Parking Lot and using the area across the street for Swim Club parking. Councilwoman Carpenter said that would not work because the DEP would not approve an area by the river. Councilman Connors suggested only allowing permitted use in R1 Zones (where 31 Fairview Avenue is situated.) Members of Council agreed and Ordinance #1563 was amended to permit municipal buildings and facilities in R1 Zoning Districts of the Borough.

The Following Ordinance Was Introduced:

#1563 An Ordinance to Amend Chapter 21A of the Bogota Code to Permit Municipal Buildings and Facilities in R1 Zoning Districts of the Borough
(This ordinance will have to go to the Planning and Zoning Board for review and approval.)

Public Hearing and Adoption of the Following Ordinance Took Place:

#1564 2021 Salary Ordinance

approve the Minutes for 5/20/2021. Motion carried with only Councilwoman Carpenter voting NO.

-Motion was made by Councilman Connors, seconded by Councilman Robbins, to approve the Closed Session Minutes for 1/21/2021, 2/4/2021, 2/18/2021, 3/18/2021. Motion carried with Councilwoman Carpenter abstaining because she did not remember what happened at those meetings. Councilman Robbins abstained from the 2/18/21 minutes because he was absent.

Motion was made by Councilwoman Carpenter, seconded by Councilwoman Granquist, to open the meeting to Citizen Remarks. Motion carried.

Jorge Nunez asked about the Ordinance related to street paving by Utility Companies. He explained that a utility company tore up Central Avenue shortly after it was paved. The company then put two patches where they dug up instead of repaving. He said that he hopes his rights are not being diminished because of politics. He said that for the Recycling Center, Councilwoman Carpenter provided additional information about the recycling center. He said that if residents remain opposed to the recycling center after learning more about it, he will support them. He said that Councilman Robbins suggestion was a good idea. It moves the recycling center further away from residences. He believes that Parking, Lighting, Cameras, etc. are needed by the Swim Club. He asked the leaders of the community to advocate for the community moving forward. He said those that thrive are those that work collectively in the sandbox.

Susan Harper said she heard comments on trucks going down Palisade Avenue and pollution. She heard that people do not want lights in their backyard all night, and neither do the River Road residents. She is passionate about her family and the kids in this neighborhood using the park and breathing the air. She said that we are all stewards of our land and should work together for the future. She agreed with Jorge Nunez about working together. She asked if an Environmental Impact study will be completed. She would like to know the process and procedure of the plan including light study, noise and sound study.

Carmel Birney said she is concerned with moving the Recycling Center to the other end of the Swim club parking lot. How will people get into and out of the parking lot for the center if the parking lot is full for the Swim Club or football. Do not move it if you can negotiate with the people where it is now. She asked that the Borough continue Zoom meetings because some people cannot get there. She asked about the tree in front of her house which she has complained about for two years.

Motion to close Citizen Remarks was made by Councilman Robbins, seconded by Councilwoman Carpenter. Motion carried.

Councilwoman Carpenter agreed with Jorge Nunez. She does not think it is doing anything against him. She said an ordinance was voted on unanimously for \$1,000,000 multi-purpose bond for Feller Place. Grant money was received. Prices keep going up. She told Mrs. Harper that Joe Scarpa just came back from vacation, and he will meet with her. She said that he is inviting the architect and

engineer to answer questions. She told Carmel Birney that she would like to go back into open session in the Senior Center and continue to Zoom to the public.

Councilman Connors said that he applauds Susan Harper's passion. He said that he is passionate about getting the Recreation Center built. He said there has been a problem with transparency for a long time. He is sorry that Susan Harper could not make the past public meeting. He said that studies were done by the State. No one wants to take down trees. We are planting trees as well. He will be happy to meet with her as well.

Councilwoman Fede said that she is no longer involved with prioritization of the trees. That is being handled by the Administrator and DPW Superintendent. She said that no trees were serviced last year because of the tropical storm. Olsen Park was closed for a week due to dangerous trees. The entire budget was used to remove damaged and dead trees. The Rescue Squad and Fire Department spent many hours cleaning up fallen trees. The loss was due to a natural disaster.

Borough Attorney Betesh said that he is meeting next week with the architect, engineer, etc. and will be able to get answers then about the Recreation Center. Councilwoman Fede asked if it could be recorded for the betterment of everyone. Mayor Kelemen suggested maybe having a Special Council meeting or Town Hall meeting concerning this.

Mayor Kelemen said that Jorge Nunez was emailed and Mr. Scarpa was copied about the Road Ordinance. No one has heard anything. He said the lights at the Recycling Center will be on all night from Dusk to Dawn. They are security lights. The Recreation Center will not have lights on all night long. He told Carmel Birney that he would like to continue Zoom meetings even if we go live. He just wants guidelines to be followed. He said that for the recycling center, permits were filed, Council members voted, and the project went out to bid to see the cost. Council members can change their minds.

Reports: Mayor, Council Committees, Borough Attorney, Borough Clerk

Mayor Kelemen said that there was a slowdown in COVID cases. Half of the town has been vaccinated. There were 903 reported cases 2 weeks ago, and yesterday's count was 910 which makes 7 cases in two weeks. 15 souls in town lost their lives. He reported that the Fireman's Park renovation is going on now. The big Victorian clock will have a plaque in honor of those residents who lost their lives to COVID. He reported that Pat Schuber was honored three weeks ago, and the street ceremony was beautiful. He noticed that only half of the street was paved and thought that the whole street was going to be paved. He asked people not to vent on Facebook but to call him directly. He thanked the Council members who voted on purchasing the Apollo building. He and Councilman Robbins did a final walk through of the building. There will be a lot of parking spaces for the fire members and offices. He asked the Council to honor the closed sessions. He thanked the Fire Department for their Memorial Day Service. He thanked Alex Hernandez and Walter Croft for the great job they did with the Memorial Day Service. He said there were between 80 and 100 people there. He is hoping for a parade next year. He expected to see the Pride Flag displayed. He said that Councilwoman Carpenter had said in 2019 that the Pride flag could fly all year. The governing body voted in 2019 to purchase a Pride Flag to replace the one borrowed from Councilwoman Gates-Ferris. Motion was made by Councilman Connors, seconded by Councilman Robbins, to display a pride flag every year in the month of June. Motion carried and the following Resolution was added to the agenda.

21-111 to Display the Pride Flag Every Year in the Month of June on a Utility Pole

Councilwoman Granquist will follow up on inquiries for Jorge Nunez and Carmel Birney. She said that the DPW is cleaning up the parks, and the American flags went up for Memorial Day. The DPW

is doing a great job as per the DPW Superintendent. She reported that Rescue is participating in extrication training and rope training.

Councilman Connors said that Summer School will take place from June 30 through July 31 in all three schools. June 18 is the last day of school. Graduation in Bixby is June 16, Steen School is June 17, and the High School is June 18. The prom occurred. Mr. Kennedy said that he was proud to participate in the BCC program which gives participating students Associates degrees from BCC. The school will reopen on September 10 for half a day. He congratulated all the graduates. He said that there were 7 spaces left for the Pre-k 3 program two weeks ago. He said that the Bergenfield merger for football is not happening. The Recreation Committee is trying to register as many children as possible. There will hopefully be a mini-camp July 15. He gave credit to the Recreation committee for their hard work. He reported that in May the police gave out 206 moving violations and 486 Summonses. There were 17 Noise complaints, over 200 Traffic Stops, 204 Property Checks, and 41 Medical Assistance calls. He thanked Chief Maye and Captain Piteriski for all their work. The Click It or Ticket campaign is a success as over 100 tickets were issued. The Body Cameras are being done by deadlines. Two new Police Officers were hired. They will be a great asset to the town.

Councilwoman Carpenter had no report for Buildings and Grounds. She said the grant writer is working very strongly. Today, a \$4,000 fire prevention grant has been obtained. Fire Marshall Kern is looking to get a drone to check for excess grease on top of restaurants. The Gary Sinise grant for first responders is in the works for \$50,000. \$1,823,899 in grants was submitted. She said Mr. Scarpa spoke about Safe Streets. She said that a meeting is needed with Freeholders Ortiz and Zur.

Councilman Robbins reported that there were no noise complaints from Bogota for May with TANAAC. He said that the Fire Department Memorial Day Inspection went well, and he is very proud of the Bogota Firemen. He said that the proposed firehouse at Hose 3 will take a few years, but it may be necessary to buy a truck for Hose 2. He asked what steps need to be taken to do that. He asked if steps could be laid out for a ladder truck as well. The Fire Department cannot be without a ladder truck. He asked for it to be a discussion item for the next Council meeting. He said that placement of the football field has been discussed, and Mr. Kennedy proposed some suggestions. Councilman Connors said that there is enough room to fit a turf field and a track. This is in the early planning stages. It would be good to use the grant money we have received and get more grant money and to work with the Board of Education. Mayor Kelemen said that for years the Board of Education did nothing. If high school sports need to use the field, they can. He is grateful the Board of Education wants to cooperate now.

Councilwoman Fede reported that Bogota is participating in the Arts Amber at Olsen Park on June 12 from 12pm to 5pm, and quite a few artists will be participating. She said that a part time employee is working in the Building Department, and the Council has not approved advertising for a full-time employee yet for the building department. The Building Department is very important to the town and this needs to be taken care of. She said that as part of the Environmental Commission, she wants to be sure that the DPW is following the Community Forestry Plan and taking the appropriate tree hazard training and tree pruning training. She is asking Councilwoman Granquist to make sure that the training in our Plan is being implemented. The Police Sergeant Interviews will take place after notice goes out and protocols are followed.

Mayor Kelemen said that he expected resolutions to be on the agenda for the Building Department. Motion was made by Councilwoman Carpenter, Seconded by Councilman Connors, to Hire Maritza Gonzalez as a Part-Time Technical Assistant to the Construction Official. Motion carried and the following Resolution was added to the agenda.

21-112 Hire Maritza Gonzalez as a part-time Technical Assistant to the Construction Official.
(The resolution will say that she was hired on an emergent basis as needed in accordance with the salary ordinance.)

Motion was made by Councilwoman Carpenter, seconded by Councilman Connors, to authorize the Administrator to advertise for a full-time technical assistant for the Building Department. Motion carried and the following Resolution was added to the agenda.

21-113 Authorize the Borough Administrator to Advertise for a Full Time Technical Assistant to the Construction Official as per the Salary Ordinance

Motion was made by Councilwoman Fede, seconded by Councilman Robbins, to authorize the Borough Administrator to Advertise for a part-time Planning and Zoning Board Secretary. Motion carried and the following Resolution was added to the agenda.

21-114 Authorize the Borough Administrator to Advertise for a Part-Time Planning and Zoning Board Secretary.

Mayor Kelemen suggested having Eileen Hennessy answer the phones in the Building Department until someone is hired. The governing body was in agreement.

Borough Attorney Betesh said that the closing took place for 31 Fairview Avenue. He said that 18 petitions were filed with the Bergen County Tax Board. The outcome was very positive.

Borough Clerk reminded everyone that the Primary will take place on June 8th. She thanked School Superintendent Kennedy and Recreation Director Moore for helping to get the centers set up for voting. She told everyone that New Jersey is 48% vaccinated against COVID, and Mid-Bergen Regional Health Commission is working on having Pop up centers in towns to help people feel relaxed and confident when getting vaccinated by being able to be in their own town in familiar surroundings.

Motion was made by Councilwoman Carpenter, seconded by Councilwoman Fede to adjourn the meeting. Motion carried and the meeting adjourned at 10:43pm.

Minutes respectfully submitted by Borough Clerk Jeanne Cook.

AMENDED ORDINANCE NO. 1563

**AN ORDINANCE TO AMEND CHAPTER 21A OF THE
BOGOTA CODE TO PERMIT MUNICIPAL BUILDINGS
AND FACILITIES IN THE R1 ZONING DISTRICTS OF
THE BOROUGH**

WHEREAS, The Borough of Bogota is a Municipal Corporation of the State of New Jersey, and is responsible for advancing the health, safety and welfare of its residents through the provision of various government services administered from municipal buildings and facilities located throughout the Borough; and,

WHEREAS, Chapter 21A of the Bogota Code sets forth the uses that are permitted and prohibited throughout each of the zoning districts in the Borough; and,

WHEREAS, Schedule 2-1 of Chapter 21A specifically lists the permitted, accessory and conditional uses for each of the eleven zones in the Borough, and currently permits municipal buildings and uses/facilities in only four of those zones; and,

WHEREAS, municipal buildings and uses/facilities are prohibited in the remaining seven zones of the Borough, as stated in Chapter 21A-7.5; and,

WHEREAS, limiting the zones where a municipal facility can be placed is contrary to the Municipal Land Use Law, which does not restrain the power of a municipality to determine where to locate municipal facilities within its borders; and,

WHEREAS, the Bogota Planning/Zoning Board had adopted a Master Plan on January 17, 2003, and a Master Plan Reexamination Report on April 14, 2015; and,

WHEREAS, both the Master Plan and the Reexamination Report list "Promot[ing] adequate community services for all portions of Bogota" as one of the goals and objectives of the Borough; and,

SECTION 4: SEVERABILITY.

If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court or federal or state agency of competent jurisdiction, such portions shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions hereof.

SECTION 5: EFFECTIVE DATE.

This ordinance shall take effect twenty (20) days after the first publication thereof after final passage and filing with the Bergen County Planning Board.

WHEREAS, the current placement limitations set forth in Schedule 2-1 are contrary to the goals and objectives set forth in the Borough's Master Plan and Reexamination report; and,

WHEREAS, it is the desire of the Mayor and Council to adopt an Ordinance to amend Schedule 2-1 of Chapter 21A, so as to promote the goals and objectives of the Borough's Master Plan, Reexamination Report and the Municipal Land Use Law by expanding the number of zones in which Municipal Buildings and Facilities are permitted as a principal use.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Bogota, that Schedule 2-1 of Chapter 21A is hereby amended as follows:

SECTION 1: AMENDMENT TO SCHEDULE 2-1.

Schedule 2-1, entitled "Schedule of District Use Regulations" is hereby amended as follows:

"Municipal Buildings and Facilities" shall be included as a principal permitted use in the R-1 zoning districts of the Borough of Bogota.

SECTION 2: REFERRAL TO THE PLANNING BOARD

Upon adoption of this Ordinance on first reading, it shall be referred to the Bogota Planning Board in accordance with the provisions of N.J.S.A. 40:55D-64.

SECTION 3: INCONSISTENCY.

Any and all ordinances, or parts thereof, in conflict or inconsistent with any of the terms and provisions of this Ordinance are hereby repealed to such extent as they are in conflict or inconsistent.
