WHEREAS, Chapter 9 of the Bogota Code sets forth the rules and regulations for buildings and properties located within the Borough of Bogota; and,

WHEREAS, the State of New Jersey had adopted N.J.S.A. 52:27D-437.1, entitled the “Lead Hazard Control Assistance Act”, which requires lead-based paint testing for certain residential rental properties; and,

WHEREAS, N.J.S.A. 52:27D-437.16 now requires all municipalities to inspect every single-family, two-family and multiple rental dwelling located within the municipality at tenant turnover for lead-based paint hazards; and,

WHEREAS, the Borough adopted Ordinance #1607, which incorporated the provisions of N.J.S.A. 52:27D-437 in the Bogota Code; and,

WHEREAS, at the time this legislation was adopted, municipalities that maintained a “permanent local agency” were required to perform all lead-based paint inspections in-house, with inspections to be conducted by certified Borough employees; and,

WHEREAS, the New Jersey Legislature amended the provisions of N.J.S.A. 52:27D-437 in September of 2024 to permit municipalities to hire a lead evaluation contractor to perform their lead-based paint inspections, even if the municipality maintains a “permanent local agency”; and,

WHEREAS, the Borough of Bogota maintains a “permanent local agency”, as defined in N.J.S.A. 52:27D-437, but seeks to have the option of hiring a lead evaluation contractor to perform its lead-based paint inspections; and,

WHEREAS, the Mayor and Council wish to amend Chapter 9 of the Borough Code to authorize the hiring of lead evaluation contractors, which is now permitted by law.

The owner of any such rental dwelling shall not permit any tenant turnover without first complying with this Section. The Borough shall charge the dwelling owner or landlord, and the dwelling owner or landlord shall pay the Borough in advance of any inspection, applicable fees set forth in Section 9-16.12, which fees shall be dedicated to meeting the costs of implementing and enforcing this Section. Re: Bid Review for "Bogota Recreation Center"

Dear Ms. Flores-Bolivard,

This office had been requested to review the bids that were submitted in connection with the project entitled "Bogota Recreation Center". A total of eleven (11) bids were received, which were opened on February 25, 2025 in the Borough Council Chambers. Please be advised that the following review pertains strictly to the legality of the bids, and does not address the engineering or technical information included by the bidders. A letter dated February 27, 2025 was prepared by Bilow Garrett Group addressing those aspects of the bids.

Upon review of the bids submitted to this office, I conclude that the Bid submitted by Benard Associates, Inc. of Wayne, New Jersey in the base bid amount of \$4,898,000.00 is the lowest responsible bid submitted, and that there are no material defects in the Bidder's submission.

The aforesaid Bid contains the following documents, which were properly executed and in compliance with the Bid Proposal Form:

1. Bid Proposal Form
2. Bidder Reference List
3. List of Subcontractors w/ backup documentation
4. Bidder's Acknowledgement of Addendums
5. Affirmative Action Compliance Notice
6. Certificate of Employee Information Report (expires 10-15-2030)

7. ADA Obligations Statement
8. Federal Equal Employment Opportunity Law Compliance Certification
9. Compliance with New Jersey Prevailing Wage Act
10. Performance Payment and Maintenance Bond Form
11. Bid Bond w/ Power of Attorney
12. Consent of Surety
13. Statement of Ownership Disclosure
14. Non-Collusion Affidavit
15. Disclosure of Investment Activities in Iran Form
16. Certification of Non-Involvement in Prohibited Activities in Russia or Belarus
17. Contractor's Proof of Insurance
18. Copy of Contractor's Business Registration Certificate
19. Copy of Contractor's Public Works Contractor Registration Certificate
20. NJ Division of Property Management & Construction Classification Form

In light of the foregoing, it is my recommendation that a contract be awarded to Benard Associates, Inc., for their submission of the lowest responsible Bid for the aforesaid project. If you have any questions or would like to discuss this matter further, please do not hesitate to contact me.

Very truly yours,

Council Member _____ introduced and moved the adoption of the following resolution and Council Member seconded the motion:

RESOLUTION AUTHORIZING THE PUBLICATION, PRINTING AND DISTRIBUTION OF A NOTICE OF SALE AND THE PUBLICATION OF A SUMMARY NOTICE OF SALE AND PRESCRIBING THE FORMS THEREOF FOR \$14,475,000 GENERAL IMPROVEMENT BONDS, DATED APRIL 1, 2025, APPROVING THE PREPARATION, DISTRIBUTION AND EXECUTION OF A PRELIMINARY AND A FINAL OFFICIAL STATEMENT FOR SUCH BONDS, UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE OF FINANCIAL INFORMATION, COVENANTING TO COMPLY WITH THE INTERNAL REVENUE CODE OF 1986, AS AMENDED, AND AUTHORIZING VARIOUS MATTERS IN CONNECTION WITH ELECTRONIC BIDDING FOR THE BONDS

WHEREAS, the Borough Council of the Borough of Bogota, in the County of Bergen, New Jersey (the "Borough"), desires to make further provision for the issuance of \$14,475,000 General Improvement Bonds (the "Bonds"), which are to be issued pursuant to bond ordinances heretofore adopted by the Borough Council; NOW, THEREFORE,

BE IT RESOLVED by the Borough Council of the Borough of Bogota, in the County of Bergen, as follows:

Section 1. A Notice of Sale (the "Full Notice of Sale") shall be published and printed and posted with the Preliminary Official Statement (as hereinafter defined) for distribution in substantially the following form:

NOTICE OF SALE

BOROUGH OF BOGOTA,
IN THE COUNTY OF BERGEN, NEW JERSEY

\$14,475,000* GENERAL IMPROVEMENT BONDS
(Book-Entry Only) (Callable) (Parity Bid)

dated
April 1, 2025

The Borough of Bogota, in the County of Bergen, a municipal corporation of the State of New Jersey (the "Borough"), hereby invites ELECTRONIC BIDS VIA PARITY AND SEALED PROPOSALS for the purchase of its \$14,475,000* General Improvement Bonds, dated April 1, 2025 (the "Bonds").

ELECTRONIC BIDS VIA PARITY AND SEALED PROPOSALS will be received and publicly opened and announced by the Chief Financial Officer in the Borough Hall, 375 Larch Avenue, Bogota, New Jersey 07603, on April 1, 2025 at 11:00 o'clock A.M. (local time).

The Bonds comprise an issue of bonds payable on April 1 in each year and, subject to adjustment as provided herein, in the amounts as follows:

\$14,475,000* General Improvement Bonds

\$500,000 in each of the years 2026 through 2032, inclusive,
\$995,000 in each of the years 2033 through 2037, inclusive, and

*Preliminary, subject to change as described herein.
2025-82

\$1,000,000 in each of the years 2038 through 2043, inclusive.

To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, potential bidders may contact Ipreo at 1359 Broadway, 2nd Floor, New York, NY 10018, telephone (212) 849-5021.

The Bonds shall be issued in registered form by means of a book-entry system with no physical distribution of bond certificates made to the public. One bond certificate for each maturity will be issued to The Depository Trust Company, Brooklyn, New York ("DTC") and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any integral multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds, shall be required to deposit the bond certificates with DTC, registered in the name of Cede & Co., its nominee. Interest on the Bonds will be payable on each April 1 and October 1, commencing October 1, 2025 (each, an "Interest Payment Date"), in each year until maturity or prior redemption, and principal of the Bonds will be payable, at maturity, by payment of immediately available funds by the Bond Registrar/Paying Agent to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest to participants of DTC will be the responsibility of DTC. Transfer of principal and interest to beneficial owners will be the responsibility of the DTC participants and other nominees of the beneficial owners. The Borough will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Borough determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the Borough will discontinue the book-entry system with DTC. If the Borough fails to identify another qualified securities depository to replace DTC, the

Borough will deliver replacement bonds in the form of fully registered certificates.

The Bonds maturing on or before April 1, 2032 are not subject to redemption prior to their stated maturities. The Bonds maturing on or after April 1, 2033 are subject to redemption at the option of the Borough prior to maturity, in whole on any date or in part on any Interest Payment Date, on or after April 1, 2032, upon notice as hereinafter set forth at the redemption price of 100% of the principal amount being redeemed, plus accrued interest to the date fixed for redemption.

If the Borough determines to optionally redeem a portion of the Bonds prior to maturity, such Bonds so redeemed shall be in such maturities as determined by the Borough, and within any maturity, by lot; *provided, however,* that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, the Bond Registrar/Paying Agent shall treat each Bond as representing that number of Bonds that is obtained by dividing the principal amount of such Bond by \$5,000.

Notice of redemption shall be given by first class mail in a sealed envelope with postage prepaid to the registered owners of the Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the Bond Registrar/Paying Agent at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. Such mailing is not a condition precedent to redemption, and the failure to mail or to receive any redemption notice will not affect the validity of the redemption proceedings. If any Bond subject to redemption is a part of a greater principal amount of the Bonds not to be redeemed, such entire amount shall be surrendered to the Bond Registrar/Paying Agent and, for that portion of the Bond not to be redeemed, a new Bond shall be issued in the name of the registered owner in an amount equal to the principal amount of the Bond surrendered less the amount to be redeemed.

Bidders may not elect to structure any maturities of the Bonds as term bonds.

The Bonds are general obligations of the Borough and are secured by a pledge of the full faith and credit of the Borough for the payment of the principal thereof and the interest thereon. The Bonds are payable, if not paid from other sources, from ad valorem taxes to be levied upon all the real property taxable within the Borough without limitation as to rate or amount.

Each proposal submitted must name the rate or rates of interest per annum to be borne by the Bonds bid for, and the rate or rates named must be a multiple of 1/8th or 1/20th of one percentum (1%). The interest payable with respect to each Bond on any one date will be evidenced by a single rate of interest. Not more than one rate may be named for Bonds of the same maturity. There is no limitation on the number of rates that may be named. The difference between the lowest and the highest rates named in the proposal shall not exceed two per centum (2%). The Borough reserves its right to reject all bids, and any bid not complying with the material terms of this notice will be rejected. The Borough reserves the right to waive defects it deems non-material, in its sole discretion.

The Bonds will be awarded to the bidder on whose bid the total loan may be made at the lowest true interest cost ("TIC"). Such TIC cost shall be computed by determining the interest rate, compounded semi-annually, necessary to discount the debt service payments to the date of the Bonds and to the price bid, excluding interest accrued to the delivery date. Each proposal submitted must be for all the Bonds and the purchase price specified in the proposal must not be less than \$14,475,000 nor more than \$15,198,750 (105% of the aggregate principal amount of the Bonds). No proposal shall be considered that offers to pay an amount less than the principal amount of the Bonds offered for sale or under which the total loan is made at a TIC higher than the lowest TIC to the Borough under any legally acceptable proposal, and if two or more bidders offer to pay the lowest TIC, then the Bonds will be sold to one of such bidders selected by lot from among all such bidders.

It is requested that each proposal be accompanied by a computation of the TIC to the Borough under the terms of the

proposal in accordance with the method of calculation described in the preceding paragraph (computed to six decimal places), but such computation is not to be considered as part of the proposal for Bonds. Determinations of TIC by the Borough shall be final.

The Borough may after the receipt and opening of bids, adjust the maturity schedule of the Bonds, provided however, that (1) no maturity schedule adjustment shall exceed 10% upward or downward of the principal for any maturity as specified herein, and (ii) the aggregate adjustment to the maturity schedule shall not exceed 10% upward or downward of the aggregate principal amount of Bonds as specified herein and the aggregate principal amount of Bonds as adjusted will not exceed \$14,475,000. The dollar amount bid by the successful bidder shall be adjusted to reflect any adjustments in the aggregate principal amount of the Bonds to be issued. Immediately upon being notified that it is the successful bidder, the successful bidder shall provide to the Borough's municipal advisor and bond counsel the initial offering prices of the Bonds to the public. Upon receipt of the initial offering prices of the Bonds to the public from the successful bidder, the bid price will be adjusted to reflect changes in the dollar amount of the underwriter's discount and the original issue premium, but will not change the per bond underwriter's discount as calculated from the bid and the initial offering prices of the Bonds to the public. The Borough shall notify the successful bidder of the final maturity schedule and the resulting adjusted purchase price no later than 5:00 p.m., local time, on the day of the sale and award the Bonds. The interest rate or rates specified by the successful bidder for each maturity will not be altered.

The successful bidder must pay accrued interest from the date of the Bonds to the date of delivery. No interest will be paid upon the deposit made by the successful bidder. The Bonds will be authenticated by the Chief Financial Officer, acting as Bond Registrar/Paying Agent for the Bonds.

Sealed proposals should be addressed to the undersigned Chief Financial Officer, and enclosed in a sealed envelope marked on the outside "Proposal for Bonds". A good faith deposit (the "Deposit") in the form of a cash wire or a certified, treasurer's or cashier's check drawn upon a bank or trust company in the amount of \$289,500,

payable to the order of the BOROUGH OF BOGOTA, is required for each bid to be considered. If a cash wire is used, the wire must be received by the Borough no later than 11:00 A.M. on April 1, 2025. If a cash wire is utilized, each bidder must notify the Borough of its intent to use such cash wire prior to 11:00 A.M. on April 1, 2025, and must provide proof of electronic transfer of such cash wire prior to 11:00 A.M. on April 1, 2025 (with return wiring instructions). Wire instructions for the Borough can be obtained by contacting the Borough's Bond Counsel (Steven Rogut or Thomas Bace (908) 931-1150) or its municipal advisor (Sherry Tracey stracey@muniadvisors.com or (609) 291-0130) at Phoenix Advisors, LLC, Hamilton, New Jersey (the "Municipal Advisor"). If a check is used, it must accompany the bid or be received by the undersigned Chief Financial Officer prior to the opening of bids. Each bidder accepts responsibility for delivering such cash wire or check on time and the Borough is not responsible for any cash wire or check that is not received on time. Checks or wires of unsuccessful bidders will be returned upon the award of the Bonds. No interest on the Deposit will accrue to the successful bidder. The Deposit will be applied in part payment for the Bonds or to partially secure the Borough from any loss resulting from the failure of the successful bidder to comply with the terms of its bid.

Award of the Bonds to the successful bidder or rejection of all bids is expected to be made promptly after opening of the bids, but such successful bidder may not withdraw its proposal until after 5:30 p.m. (local time) of the day of such bid-opening and then only if such award has not been made prior to the withdrawal.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder thereof to accept delivery of and pay for the Bonds in accordance with its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the Borough; provided, however, that the request for the assignment of CUSIP identification numbers shall be the responsibility of the Municipal Advisor and the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall

be paid for by the successful bidder. CUSIP numbers must be communicated to Bond Counsel within 24 hours of the award of the Bonds in order to have the CUSIP numbers printed on the Bonds.

The Bonds shall be delivered on or about April 10, 2025 at the office of Rogut McCarthy LLC, Cranford, New Jersey ("Bond Counsel"), or at such other place as may be determined by the successful bidder and the Borough. PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS.

A preliminary Official Statement has been prepared and is available at www.i-DealProspectus.com or may be obtained from the Municipal Advisor (stracey@muniadvisors.com) or the undersigned, Chief Financial Officer, Borough Hall, 375 Larch Avenue, Bogota, New Jersey 07603, Telephone No. (201) 342-1736, 221. The preliminary Official Statement is deemed to be a "final official statement", as of its date, within the meaning of Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"), but is subject to (a) completion with certain pricing and other information to be made available by the successful bidder for the Bonds and (b) amendment. The preliminary Official Statement, as so revised, will constitute the "final official statement". By the submission of a bid for the Bonds, the successful bidder contracts for the receipt of a reasonable number of copies of the final Official Statement within seven business days of the award of the Bonds. In order to complete the final Official Statement, the successful bidder must furnish on behalf of the underwriters of the Bonds the following information to Bond Counsel and the Borough by facsimile transmission or overnight delivery received by Bond Counsel and the Borough within 24 hours after the award of the Bonds: (a) initial offering prices or yields (expressed as percentages), (b) selling compensation (aggregate total anticipated compensation to the underwriters expressed in dollars), (c) the identity of the underwriters if the successful bidder is part of a group or syndicate and (d) any other material information necessary for the final Official Statement, but not known to the Borough (such as the bidder's purchase of credit enhancement). It shall also be the obligation of the successful bidder to furnish to DTC an underwriter's questionnaire and the denominations of the Bonds not less than seventy-two (72) hours prior to the delivery of the Bonds.

Concurrently with the delivery of the Bonds, the officials of the Borough who will have executed the final Official Statement will deliver to the purchaser of the Bonds a certificate stating that, to the best of their knowledge, the preliminary Official Statement did not as of its date and as of the sale date, and the final Official Statement did not as of its date and does not as of the date of delivery of the Bonds, contain an untrue statement of a material fact or omit to state a material fact required to be included therein for the purpose for which the preliminary Official Statement or the final Official Statement is to be used or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, provided such certificate shall not include consideration of information supplied by, or which should have been supplied by, the successful bidder for the Bonds.

The Borough has agreed in its bond resolution adopted on March 6, 2025 to provide or cause to be provided, in accordance with the requirements of Rule 15c2-12, (i) not later than seven months after the end of the Borough's fiscal year (presently December 31) certain annual financial information and operating data, including audited financial statements for the preceding fiscal year (commencing with the fiscal year ending December 31, 2024), (ii) timely notice of the occurrence of certain material events with respect to the Bonds and financial obligations of the Borough and (iii) timely notice of a failure by the Borough to provide the required annual financial information on or before the date specified in (i) above.

The successful bidder's obligation to purchase the Bonds shall be conditioned upon its receiving, at or prior to the delivery of the Bonds, in form and substance reasonably satisfactory to the successful bidder, evidence that the Borough has made the continuing disclosure undertaking set forth above in a written agreement or contract for the benefit of the Bondholders and the beneficial owners of the Bonds.

The approving legal opinion of Bond Counsel will be furnished without cost to the purchaser. The preliminary Official Statement contains a discussion of the provisions of the Internal Revenue

2025-82 Page 10 of 29

Code of 1986, as amended (the "Code"), with respect to the exclusion from gross income for Federal income tax purposes of the interest on the Bonds and a description of the opinion of Bond Counsel with respect thereto. The Borough has covenanted, to the extent permitted by the Constitution and laws of the State of New Jersey, to comply with the provisions of the Code required to preserve the exclusion from gross income of interest on the Bonds for Federal income tax purposes. There will also be furnished the usual closing papers.

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance, unless otherwise paid, shall also be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued, shall not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds.

The Borough reserves the right to postpone, from time to time, the date and time established for the receipt of bids. Any such postponement shall be published on TM3 News Service, or by other available means, not less than twenty-four (24) hours prior to the sale. If any date fixed for receipt of bids and the sale of the Bonds is postponed, an alternative sale date will be announced via TM3 News Service, or by other available means, at least forty-eight (48) hours prior to such alternative date.

ISSUE PRICE DETERMINATION UNDER INTERNAL REVENUE CODE

If the "competitive sale requirements" are not satisfied, the winning bidder shall have the option to designate whether the "10% test" or the "hold-the-offering-price rule" shall apply to all the Bonds.

The following paragraphs contain the terms for the determination of issue price.

(a) The winning bidder shall assist the Borough in establishing the issue price of the Bonds and shall execute and deliver to the Borough at closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications. A form of issue price certificate is available upon request to Steven L. Rogut, Bond Counsel, (908) 931-1150 or slr@rogutmccarthy.com.

(b) The Borough intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) the Borough shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the Borough may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the Borough anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Unless the bidder intends to hold the Bonds for its own account with no intention to offer the Bonds to the public, the bidder, by submitting a bid, represents to the Borough that the bidder has an established industry reputation for underwriting new issuances of municipal bonds.

(c) In the event that the competitive sale requirements are not satisfied, the Borough shall so advise the winning bidder. In that case, the winning bidder shall have the option to designate (by 5:30 P.M. Prevailing Time on the sale date) whether the issue price will be calculated upon either (a) the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis, or (b) a commitment to neither offer nor sell any of the Bonds of any maturity to any person at a price that is higher than the initial offering price to the public as of the sale date (the "initial offering price") during the holding period (as defined herein).

(d) If the 10% test is selected, the winning bidder shall advise the Borough if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds, and bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% test in order to establish the issue price of the Bonds. If the competitive sale requirements are not satisfied and the 10% test is selected, then until the 10% test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the Borough the prices at which the unsold Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) all Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Borough or Bond Counsel.

(e) In the event the "hold-the-offering-price" method is selected, for each maturity of the Bonds the winning bidder shall (a) neither offer nor sell any of the Bonds of such maturity to any person at a price that is higher than the initial offering price for such maturity during the holding period for such maturity (the "hold-the-offering-price rule"), and (b) verify that any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any third-party distribution agreement shall contain the agreement of each broker-dealer who is a party to the third-party distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no underwriter (as defined below) shall offer or sell any maturity of the Bonds at a price that is higher than the

respective initial offering price for that maturity of the Bonds during the holding period.

(f) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) either comply with the hold-the-offering-price limitations stated herein or to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the winning bidder that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the winning bidder, depending upon whether the hold-the-offering-price method or the 10% test is selected by the winning bidder, (B) to promptly notify the winning bidder of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and (C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public, and (ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to either comply with the hold-the-offering-price limitations stated herein or to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the winning bidder or such underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the winning bidder

or such underwriter, depending upon whether the hold-the-offering-price method or the 10% test is selected by the winning bidder.

(g) Sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) "public" means any person other than an underwriter or a related party,
- (ii) "underwriter" means (A) any person that agrees pursuant to a written contract or otherwise with the Borough (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profits interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other),

- (iv) "sale date" means the date that the Bonds are awarded by the Borough to the winning bidder,
- (v) "holding period" means, for each maturity of the Bonds, the period starting on the sale date and ending on the earlier of (i) the close of the fifth business day after the sale date, or (ii) the date on which the Underwriter has sold at least 10% of each maturity to the Public at prices that are no higher than the Initial Offering Price for such maturity, and
- (vi) "maturity" means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

Section 20. The bonds authorized by said nineteen bond ordinances described in Sections 1 through 19, inclusive, of this resolution shall be issued as a single issue of bonds, aggregating \$14,475,000 and consisting of an issue of bonds in the denomination of \$5,000 each or any integral multiple thereof, numbered in the order of their maturity. In the event that the purchaser of the bonds elects to take bonds in the last maturity that are not in multiples of \$5,000, or if there are any such bonds herein, such bonds shall be in the denomination of \$1,000 or any integral multiple thereof, numbered upwards from the last numbered \$5,000 bond. The average period of usefulness within which the bonds authorized by said nineteen bond ordinances mature, according to the respective reasonable lives of the purposes to be financed, as determined in such bond ordinances taking into consideration the respective amounts of bonds authorized for the purposes to be financed as set forth in each of the bond ordinances hereinbefore set forth, is a period of 18.04 years computed from the date of such bonds. Said issue shall be payable in annual installments on April 1 in each year and, subject to adjustment as authorized by Section 25 of this resolution, in the amounts as follows:

\$500,000 in each of the years 2026 through 2032, inclusive,
\$995,000 in each of the years 2033 through 2037, inclusive, and
\$1,000,000 in each of the years 2038 through 2043, inclusive.

Said bonds shall be designated "General Improvement Bonds". A portion of the indebtedness evidenced by each such bond shall be

deemed to have been incurred for the purpose described in each bond ordinance authorizing bonds of the same maturity, and such portion of such indebtedness shall be in the same proportion to the principal amount of such bonds as the total amount of bonds of like maturity to be issued pursuant to such bond ordinance bears to the aggregate amount of bonds of like maturity to be issued pursuant to the nineteen such bond ordinances.

Section 21. All of said bonds shall be dated April 1, 2025, and shall bear interest from their date until their respective maturities at the rates per annum named in the proposal accepted. Such rates of interest shall be determined at the time said bonds are sold. Such interest shall be payable on each April 1 and October 1, commencing October 1, 2025 (each, an "Interest Payment Date"), in each year until maturity or prior redemption.

Section 22. The bonds maturing on or before April 1, 2032 are not subject to redemption prior to their stated maturities. The bonds maturing on or after April 1, 2033 are subject to redemption at the option of the Borough prior to maturity, in whole on any date or in part on any Interest Payment Date, on or after April 1, 2032, upon notice as hereinafter set forth at the redemption price of 100% of the principal amount being redeemed, plus accrued interest to the date fixed for redemption.

If the Borough determines to optionally redeem a portion of the bonds prior to maturity, such bonds so redeemed shall be in

such maturities as determined by the Borough, and within any maturity, by lot; *provided, however,* that the portion of any bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting bonds for redemption, the Bond Registrar/Paying Agent (as hereinafter defined) shall treat each bond as representing that number of bonds that is obtained by dividing the principal amount of such bond by \$5,000.

Section 23. Notice of redemption shall be given by first class mail in a sealed envelope with postage prepaid to the registered owners of the bonds at their respective addresses as they last appear on the registration books kept for that purpose by the Bond Registrar/Paying Agent at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. Such mailing is not a condition precedent to redemption, and the failure to mail or to receive any redemption notice will not affect the validity of the redemption proceedings. If any bond subject to redemption is a part of a greater principal amount of the bonds not to be redeemed, such entire amount shall be surrendered to the Bond Registrar/Paying Agent and, for that portion of the bond not to be redeemed, a new bond shall be issued in the name of the registered owner in an amount equal to the principal amount of the bond surrendered less the amount to be redeemed.

Section 24. The bonds will be issued in fully registered form by means of a book-entry system with no physical distribution

of bond certificates made to the public. One bond certificate for each maturity will be issued to The Depository Trust Company, Brooklyn, New York ("DTC"), and immobilized in its custody. The book-entry system will evidence ownership of the bonds in principal amounts of \$5,000 or integral multiples thereof, with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to the rules and procedures established by DTC. Interest on the bonds will be payable at the times stated in Section 21 of this resolution, and principal of the bonds will be paid annually on April 1 as set forth in the maturity schedule hereinbefore stated, in immediately available funds to DTC or its nominee as registered owner of the bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. Interest will be payable to owners of bonds shown on the records of DTC as of the fifteenth day of the month preceding the month in which such Interest Payment Date occurs. The Borough will not be responsible or liable for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the bonds, or (b) the Borough determines that continuation of the book-entry system of evidence and transfer of ownership of the bonds would adversely affect the

interests of the beneficial owners of the bonds, the Borough will discontinue the book-entry system with DTC. If the Borough fails to identify another qualified securities depository to replace DTC, the Borough will authenticate and deliver replacement bonds in the form of fully registered certificates.

The principal of and interest on the bonds shall be payable in any coin or currency of the United States of America that is legal tender for the payment of public and private debts on the respective dates of payment thereof.

Section 25. The Chief Financial Officer, pursuant to N.J.S.A. 40A:2-34, is hereby authorized to sell and award the bonds in accordance with the terms of the notice of sale (the "Notice of Sale"), such terms to be determined by a resolution of the Borough Council to be hereafter adopted. The Chief Financial Officer shall report in writing to the Borough Council at the next meeting after the sale of the bonds as to the principal amount, interest rates and maturities of the bonds sold, the price obtained and the name of the purchaser. In accordance with N.J.S.A. 40A:2-26(g), there is hereby delegated to the Chief Financial Officer the authority to adjust the aggregate amount of and the maturity schedule for the bonds at the times and in the amounts as provided in the Notice of Sale. There is hereby further delegated to the Chief Financial Officer the authority to postpone the public sale of the bonds without re-advertisement in accordance with the provisions of the

Notice of Sale. The public sale of the bonds may not be postponed more than sixty (60) days without re-advertisement.

Section 26. All of said bonds shall be signed by the Mayor by manual or facsimile signature and by the Chief Financial Officer by manual or facsimile signature, and the corporate seal of the Borough shall be imprinted, affixed or reproduced thereon and such seal shall be attested by the Borough Clerk or Deputy Borough Clerk by manual signature. The bonds will be authenticated by the manual signature of the Bond Registrar/Paying Agent.

Section 27. Each of said bonds shall be issued in substantially the following form:

[Form of Bond]

Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the issuer or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.
