I. BACKGROUND

Neglia understands that the Borough of Bogota anticipates receiving an NJDOT Municipal Aid Grant in the amount of \$228,481.00 for the Palisade Avenue, Chestnut Avenue, Fischer Avenue and Maplewood Avenue - Concrete / Pedestrian Improvements around E. Roy Bixby School. The project will include but not be limited to concrete sidewalk, concrete curbing, and ADA accessible ramps.

It is anticipated that total project budget is to be \$444,150 which includes professional services and contingencies per our May 31, 2023 preliminary engineer's estimate. However, if Client objects to all or any portion of any invoice, Client shall so notify Neglia in writing of the same within fifteen (15) days from date of invoice, give reasons for the objection, and pay that portion of invoice not in dispute. Client shall pay an additional charge of one and one-half percent (1 1/2%) of the amount of the invoice per month for any payment received by Neglia more than thirty (30) days from the date of invoice. Payment thereafter shall first be applied to accrued interest and then to the unpaid principal. The additional charge shall not apply to any disputed portion of any invoice resolved in favor of Client. In the event of a legal action brought by Neglia against Client for invoice amounts not paid, Attorneys' Fees, Court Costs, and other related expense shall be paid to the prevailing party by the other party.

ARTICLE II - PROFESSIONAL RESPONSIBILITY: Neglia represents that Services shall be performed, within the limits prescribed by Client, in accordance with the 'Scope of Services' contained in the Proposal and in a manner consistent with that level of care and skill ordinarily exercised by other comparable professional engineering firms under similar circumstances at the time the Services are performed. No other representations to Client, expressed or implied, and no warranty or guarantee is included or intended, hereunder, or in any report, opinion, document, or otherwise.

ARTICLE III - LIMITATIONS OF LIABILITY: The liability of Neglia, its employees, agents, and subcontractors (hereinafter for purposes of this Article III referred to collectively as "Neglia"), for Client's claims of loss, injury, death, damage or expense, including, without limitation, Client's claims of contribution and indemnification with respect to third party claims relating to the Services or to obligations imposed, hereunder, (hereinafter, "Client's Claims") shall not exceed the aggregate: (1) the total sum of Neglia's fee or \$ 50,000.00, whichever is greater, for Client's Claims arising out of professional negligence, including errors, omissions or other professional acts, and including unintentional breach of contract; or (2) the total sum of \$ 250,000 for Client's Claims arising out of negligence, or other causes for which Neglia has any legal liability, other than as described in (1) above.

In no event shall either Neglia or Client be liable for consequential or indirect damages, including, without limitation, loss of use or loss of profits, incurred by one another or their subsidiaries or successors, regardless of whether such damages are caused by breach of contract, willful misconduct, negligent act or omission, or other wrongful act of either of them.

ARTICLE IV - INDEMNIFICATION: If any claim is brought against Neglia, its employees, agents or subcontractors (hereinafter for purpose of this Article IV referred to collectively as "Neglia") and/or Client by a third party, relating in any way to the Services, the contribution and indemnification rights and obligations of Neglia and Client, subject to the limitations of liability under Article III above, shall be determined as follows: (1) if any negligence, breach of contract, or willful misconduct of Neglia caused any damage, injury or loss claimed by the third party, then Neglia and Client shall each indemnify the other against any loss of judgment on a comparative responsibility basis under comparative negligence principles (Client responsibility to include that of its agents, employees and other contractors); and (2) unless Neglia was guilty of negligence, breach of contract, or willful misconduct which in whole or in part caused damage, injury or loss asserted in the third party claim, Client shall indemnify Neglia against the claim, liability, loss, legal fees, consulting fees and other costs of defense reasonably incurred.

ARTICLE V – INSURANCE: Neglia agrees to maintain (1) Statutory Workers' Compensation; and (2) Comprehensive General and Automobile Insurance Coverage in the sum of not less than \$ 1,000,000.

ARTICLE VI - FORCE MAJEURE: Neither party shall hold the other responsible for damages or delays in performance caused by force majeure, acts of God, or other events beyond the control of the other party or that could not have been reasonably foreseen and prevented. For this purpose, such acts or events shall include, but not be limited to, unusual weather affecting performance of the Services, floods, epidemics, war, riots, strikes, lockouts, or other industrial disturbances, protest demonstrations, unanticipated site conditions, and inability, with reasonable diligence, to supply personnel, equipment or material for the Services. Should such acts or events occur, both parties shall use their best efforts to overcome the difficulties and to resume as soon as reasonably possible the normal pursuit of the Services.

ARTICLE VII - TERMINATION AND SUSPENSION OF WORK: The obligation to provide further Services under this Agreement may be terminated by either party upon fourteen (14) days written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party. In the

event of termination, Neglia shall be paid for all services rendered up to and including the date of termination. The parties agree that Neglia may elect to suspend providing services under this Agreement if payment of any invoice is not made within thirty (30) days of the date of the invoice as provided in Article I. In the event that the termination was initiated by the Client, Client agrees to pay Neglia Engineering Associates an additional ten percent (10%) of the total fee earned by Neglia Engineering Associates.

ARTICLE VIII - REUSE OF DOCUMENTS: All documents, including Drawings and Specifications prepared by Neglia pursuant to this Agreement, are instruments of service in respect to the Project. They are not intended or represented to be suitable for reuse by Client or others on extensions of the Project or on any other Project. Any reuse, without written verification of adaptation by Neglia for the specific purpose intended, will be at Client's sole risk and without liability or legal exposure to Neglia; and Client shall indemnify and hold harmless Neglia from all claims, damages, losses and expenses including Attorneys' fees arising out of or resulting there from. Any such verification or adaptation will entitle Neglia to further compensation at rates to be agreed upon by Client and Neglia.

ARTICLE IX - CONTROLLING LAW: Any element of this Agreement letter held to violate a law or regulation, or whose insurability cannot be confirmed by design professional, shall be deemed void, and all remaining provisions shall continue in force. However, client and design professional will in good faith attempt to replace any such voided element with one that is enforceable and/or insurable, and which comes as close as possible to expressing the intent of the original provision.

Neither Client nor Neglia shall assign, sublet, or transfer any rights under, or interest in, this Agreement without the written consent of the other party, except as set forth below. Unless specifically stated to the contrary, in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent Neglia from employing such independent consultants, associates, and subcontractors, as it may deem appropriate, to assist in its performance of services, hereunder. Nothing herein shall be construed to give any rights or benefits hereunder to anyone other than Client and Neglia.

ARTICLE XI - ARBITRATION: All claims, counterclaims, disputes and other matters in question between the parties, hereto arising out of or relating to this Agreement or the breach thereof, will be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association. This Agreement to arbitrate and any other agreement or consent to arbitrate entered into will be specifically enforceable under the prevailing arbitration law of any court having jurisdiction. Notice of demand for arbitration must be filed in writing with the other parties to this Agreement and with the American Arbitration Association. The demand must be made within a reasonable time after the claim, dispute or other matter in question has arisen. In no event may the demand for arbitration be made after institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable statute of limitations.

All demands for arbitration and all answering statements thereto, which include any monetary claim, must contain a statement that the total sum or value in controversy as alleged by the party making such demand or answering statement is not more than \$ 200,000.00 (exclusive of interest and costs.) The arbitrators will not have jurisdiction, power or authority to consider, or make findings (except in denial of their own jurisdiction) concerning any claim, counterclaim, dispute or other matter in question where the amount in controversy thereof is more than \$ 200,000.00

(exclusive of interest and costs) or to render a monetary award in response thereto against any party which totals more than \$ 200,000.00 (exclusive of interest and costs.)

No arbitration arising out of, or relating to, this Agreement, may include, by consolidation, joinder, or in any other manner, any person or entity who is not a party to this Agreement.

DRAINAGE EASEMENT AGREEMENT

THIS DRAINAGE EASEMENT AGREEMENT (this "Agreement") is made on this ____ day of _____, 2023, by and between:

30 CROSS BOGOTA URBAN RENEWAL, LLC, a limited liability company formed under the laws of the State of Delaware with offices c/o The Hampshire Companies, 21 South Street, Morristown, New Jersey 07960 (the "Grantor"); and

THE BOROUGH OF BOGOTA, a municipal corporation of the State of New Jersey with offices at Bogota Borough Hall, 375 Larch Avenue, Bogota, New Jersey 07603 (the "Grantee" or the "Borough").

W I T N E S S E T H

WHEREAS, Grantor is the owner of certain real property known and designated as Block 113, Lots 7 and 8 (which includes riparian lots 7.01, 7.02, 7.03, 8.01 and 8.02) on the Borough's tax map (the "Property") and more particularly described on **Exhibit A** annexed hereto; and

WHEREAS, by Resolution memorialized on April 12, 2022, the Borough Planning and Zoning Board (the "Planning Board") granted preliminary and final site plan approval (the "Approval") for the construction of an approximately 89,130 square foot warehouse facility, along with related improvements, on the Property; and

WHEREAS, as part of that Approval, the Planning Board Engineer required Grantor to delineate a drainage easement area on the approved site plans, in the event that a drainage easement was requested by the County of Bergen (the "County"); and

WHEREAS, the County Engineer has requested that Grantor grant the Borough a drainage easement to allow the County to install, for the benefit of the Borough, a drainage line on the Property as part of a drainage diversion to the Hackensack River from an existing, unnamed drainage ditch running along Elm Avenue in the Borough, and which, once constructed, will be owned, operated, and maintained by the Borough (the "County Drainage Project"); and

WHEREAS, the purpose of this Agreement is for Grantor to grant such an easement and set forth the terms and conditions thereof.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, including the promises, covenants and conditions hereinafter contained, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant and convey to the Grantee, its successors and assigns forever, and the Grantee does hereby accept, the easement set forth herein on the terms and conditions herein contained.

1. Grant of Drainage Easement. Grantor hereby grants to Grantee, and Grantee hereby accepts from Grantor, a non-exclusive, perpetual easement over, under, in and across the portion of the Property shown and described in more detail in **Exhibit B-1** and **Exhibit B-2** annexed hereto (the "Easement Area"), for the purpose of locating, installing, constructing, using, relocating, removing, reconstructing, maintaining, inspecting, replacing, preserving and repairing an underground storm sewer drainage line as part of the County Drainage Project (the "Drainage Line") within the Easement Area (the "Drainage Easement").

2. Construction and Maintenance of Drainage Line. (a) Grantee, at Grantee's sole cost and expense, shall construct and maintain the Drainage Line within the Easement Area in accordance with all applicable laws and all necessary governmental permits and approvals.

(b) Grantee shall have the right to designate the County as its agent for the purpose of performing any work (including, without limitation, construction, installation and maintenance) permitted hereunder ("Work"); provided, however, that the Grantee shall remain responsible for any such Work, and for compliance with the terms and conditions set forth herein in the performance of such Work.

(c) All Work pursuant to this Agreement shall be performed by, or on behalf of, Grantee in a good and workmanlike manner, with a minimum of inconvenience to Grantor, and in accordance with all necessary permits and approvals, and all applicable legal requirements (including, without limitation, those relating to any environmental conditions on the Property). Any damage caused to the Easement Area or the improvements thereon in the course of such Work by, or on behalf of, Grantee shall be promptly repaired by Grantee, and such lands shall be promptly restored by Grantee to their condition immediately prior to such damage, at the sole cost and expense of Grantee. All Work shall be undertaken and completed in a prompt manner and with all due diligence.

(d) Grantee shall give not less than ten (10) business days prior notice (the "Work Notice") to the owner of the Property of the date when any Work is to commence on the Property, except in the event of exigent circumstances whereupon notice shall be given as soon as reasonably practical under such circumstances. Grantee shall not perform any Work in a manner that blocks access to any building, internal roadway, or parking area located on the Property, provided, however, that if the performance of any Work permitted hereunder cannot be undertaken without some blocking of access to parking spaces or internal drive aisles within the parking area located on the Property, then Grantee shall (i) provide the details of the proposed

duration and extent of such blocked access in the Work Notice; (ii) take such measures to complete such Work in the shortest period of time reasonably possible and during non-operating hours or, if such business has 24-hour operations, during overnight, weekend, or non-peak operating hours, as desired by such business operator; and (iii) shall cooperate with Grantor in scheduling such Work or revising the Work plan to minimize, to the fullest extent practicable, interference with the lawful use of Grantor's Property.

3. **Temporary Construction Easement.** During the time that Grantee performs any Work permitted hereunder, Grantee shall have a temporary construction easement allowing the Grantee and its agents, contractors, subcontractors, professionals, materialmen and others engaged in the project to use such portion or portions of Grantor's Property only as is reasonably necessary for the purpose of performing such Work, and only (i) at reasonable times, (ii) for the period reasonably necessary to perform such Work, (iii) in accordance with and subject to good construction practice, and (iv) in such manner so as to minimize, to the fullest extent practicable, interference with the lawful use of Grantor's Property. Upon the completion of any such Work, the temporary construction easement area shall be promptly restored to substantially the same condition in which it was prior to the commencement of such Work.

4. **Reservation of Rights by Grantor.** Subject to the limitations set forth in this Agreement, Grantor shall have the right to use, occupy and enjoy the surface of, the subsurface under, and the air space over, the Easement Area for any lawful purpose which does not unreasonably interfere with the use of the Drainage Line by Grantee. For the purposes of this provision, and notwithstanding anything to the contrary contained herein, Grantee hereby agrees that (a) parking and access improvements, and (b) the construction, installation, repair, replacement or maintenance within the Easement Area of sewer, gas, electric and other utilities and appurtenant facilities, and any other improvements constructed pursuant to any applicable permits or approvals and installed in compliance with applicable legal requirements, shall not be deemed to unreasonably interfere with the safe, proper or convenient use of the Drainage Line by Grantee.

5. **Indemnification and Insurance.** Grantee agrees to defend, indemnify and save harmless Grantor, and its successors and assigns, from any claims for bodily injury and/or property damage (including, without limitation, reasonable attorneys' fees) occasioned by the utilization of the Easement Area or any rights hereunder by Grantee, its agents (specifically including, without limitation, the County), contractors, subcontractors, or any employees or invitees thereof, unless arising from the negligence or willful misconduct of Grantor. Grantee at all times shall maintain commercial general liability insurance covering the Easement Area in a minimum amount of \$1,000,000.00 per occurrence and naming Grantor as an additional insured and as a certificate holder.

6. **Default; Remedies.** If any party hereto defaults in the performance of any of its obligations under this Agreement, and such default continues for a period of thirty (30) days after notice has been given to such party of the default and demanding that the same be cured, except in the case of exigent circumstances, in which case such cure period shall be reduced to an

amount of time that is reasonable under such circumstances (unless, subject to the foregoing in the case of exigent circumstances, such default cannot with due diligence be wholly cured within such period of 30 days, in which case such party shall have such longer period as is reasonably necessary to cure the default), the party delivering such notice shall have the right (but not the obligation), without waiving or releasing any other right or remedy in connection with the default, to cure such default for the account of the defaulting party. Thereafter, the defaulting party shall pay the cost of such cure to the curing party within thirty (30) days after demand. Interest shall be charged on any past due payments under this Agreement in an amount equal to the lesser of (i) an annual rate of “Prime” (as published from time to time by the Wall Street Journal or, if not published by the Wall Street Journal, then as periodically established by another publication or entity of similar reputation) plus four (4%) percent per annum, or (ii) the highest rate allowed by law.

Borough Clerk
Borough of Bogota

Bogota, NJ 07603

Dear Borough Clerk:

In 1980, the Bergen County Board of Chosen Freeholders designated the Bergen County Utilities Authority (BCUA) as the agency empowered to develop and implement the Bergen County District Solid Waste Management Plan. As part of its solid waste management responsibilities, the BCUA has developed and implemented numerous programs to assist Bergen County municipalities with the management of solid and hazardous waste. In 2012 the BCUA implemented the Certified Recycling Professional Tonnage Grant Assistance Program to ensure that all Bergen County municipalities receive their share of the New Jersey Department of Environmental Protection's tonnage grant. In 2024, the BCUA will continue this program.

As you may know, in accordance with the Recycling Enhancement Act (REA) P.L. 2008, Chapter 6, beginning 2012 each New Jersey municipality is required to submit an Annual Recycling Tonnage Report to the New Jersey Department of Environmental Protection (NJDEP) **signed by a Certified Recycling Professional (CRP) on or before April 30th of each year.** Failure to submit a Tonnage Report signed by a CRP will jeopardize your municipality's receipt of the annual recycling tonnage grant.

As part of the BCUA's Certified Recycling Professional Tonnage Grant Assistance Program, the BCUA will provide the services of a CRP to sign and submit the Annual Recycling Tonnage Report to the NJDEP at **no cost to your municipality.** If your municipality requires the services of a CRP and would like to participate in this program, please review and execute the attached Service Agreement and submit to the attention of Richard Wierer, Director of Solid Waste on or before March 1, 2024.

If you have any questions regarding the Service Agreement or the requirements of the Recycling Enhancement Act, please do not hesitate to contact Richard Wierer at 201-807-5818.

Very truly yours,

Robert Laux
