BOROUGH OF BOGOTA

**PUBLIC HEARING & ADOPTION
ORDINANCE NO. 1615
(TREE REMOVAL)**

**AN ORDINANCE AMENDING CHAPTER 22 OF THE BOGOTA
BOROUGH CODE, ENTITLED “STORMWATER
MANAGEMENT”**

WHEREAS, Borough of Bogota is a participant of the Municipal Stormwater Management Program, established by the New Jersey Department of Environmental Protection (“NJDEP”); and,

WHEREAS, the NJDEP has required that all participants in the program adopt an ordinance that establishes the requirements for the removal and replacement of trees within the Borough; and,

WHEREAS, the aforementioned ordinance is a “Tier A” permit requirement, and must be adopted in order for the Borough to remain a participant of the Municipal Stormwater Management Program; and,

WHEREAS, Chapter 22 of the Bogota Borough Code sets forth the codes and regulations for stormwater management within the Borough of Bogota; and,

WHEREAS, for the Borough to remain compliant with the Municipal Stormwater Management Program, it must adopt the aforementioned ordinance by no later than May 1, 2024; and,

WHEREAS, the Mayor and Council wish to amend Chapter 22 of the Bogota Borough Code to implement the ordinance required by the NJDEP, so that the Borough remains compliant with the Municipal Stormwater Management Program.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Bogota, that a new Section 11 be added to Chapter 22 of the Bogota Borough Code, entitled “Tree Removal-Replacement”, and shall read as follows:

§22-11.1 PURPOSE:

An ordinance to establish requirements for tree removal and replacement in the Borough of Bogota to reduce soil erosion and pollutant runoff, promote infiltration of rainwater into the soil, and protect the environment, public health, safety, and welfare.

§22-11.2 DEFINITIONS:

For the purpose of this ordinance, the following terms, phrases, words, and their derivations shall have the meanings stated herein unless their use in the text of this ordinance clearly demonstrates a different meaning. When consistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The use of the word "shall" means the requirement is always mandatory and not merely directory.

- A. “Applicant” means any “person”, as defined below, who applies for approval to remove trees regulated under this ordinance.
- B. “Critical Root Radius (CRR)” – means the zone around the base of a tree where the majority of the root system is found. This zone is calculated by multiplying the diameter at breast height (DBH) of the tree by 1.5 feet. For example: a tree with a 6” DBH would have a $CRR = 6'' \times 1.5' = 9'$.
- C. “Diameter at Breast Height (DBH)” means the diameter of the trunk of a mature tree generally measured at a point four and a half feet above ground level from the uphill side of the tree. For species of trees where the main trunk divides below the 4 ½ foot height, the DBH shall be measured at the highest point before any division.
- D. “Hazard Tree” means a tree or limbs thereof that meet one or more of the criteria below, with such determination to be made by the Borough’s Arborist upon request. Trees that do not meet any of the criteria below and are proposed to be removed solely for development purposes are not hazard trees.
 - 1. Has an infectious disease or insect infestation;
 - 2. Is dead or dying;
 - 3. Obstructs the view of traffic signs or the free passage of pedestrians or vehicles, where pruning attempts have not been effective;

4. Is causing obvious damage to structures (such as building foundations, sidewalks, etc.); or
 5. Is determined to be a threat to public health, safety, and/or welfare by a certified arborist or Licensed Tree Expert (LTE).
- E. “Person” means any individual, resident, corporation, utility, company, partnership, firm, or association.
- F. “Planting strip” means the part of a street right-of-way between the public right-of-way and the portion of the street reserved for vehicular traffic or between the abutting property line and the curb or traveled portion of the street, exclusive of any sidewalk.
- G. “Resident” means an individual who resides on the residential property or contractor hired by the individual who resides on the residential property where a tree(s) regulated by this ordinance is removed or proposed to be removed.
- H. “Street Tree” means a tree planted in the sidewalk, planting strip, and/or in the public right-of-way adjacent to the portion of the street reserved for vehicular traffic. This also includes trees planted in planting strips within the roadway right-of-way, i.e., islands, medians, pedestrian refuges.
- I. “Tree” means a woody perennial plant, typically having a single stem or trunk growing to a considerable height and bearing lateral branches at some distance from the ground.
- J. “Tree Caliper” means the diameter of the trunk of a young tree, measured six (6) inches from the soil line. For young trees whose caliper exceeds four (4) inches, the measurement is taken twelve (12) inches above the soil line.
- K. “Tree removal” means to kill or to cause irreparable damage that leads to the decline and/or death of a tree. This includes, but is not limited to, excessive pruning, application of substances that are toxic to the tree, over-mulching or improper mulching, and improper grading and/or soil compaction within the critical root radius around the base of the tree that leads to the decline and/or death of a tree. Removal does not include responsible pruning and maintenance of a tree, or the application of treatments intended to manage invasive species.

§22-11.3 REGULATED ACTIVITIES:

A. Tree Removal Requirements

1. The Borough of Bogota is accredited with the New Jersey Urban and Community Forestry Program and has implemented a Community Forestry Plan (the “NJUCFP Plan”), which covers tree care, removal and replacement. A copy of the current NJUCFP Plan is available for inspection or copy at the Borough Clerk’s Office.

3. Be monitored by the applicant for a period of two (2) years to ensure their survival and shall be replaced as needed within twelve (12) months; and
4. Shall not be planted in temporary containers or pots, as these do not count towards tree replacement requirements.

 - a. Plant replacement trees in a separate area(s) approved by the Borough.
 - b. Pay a fee of Five Hundred (\$500.00) Dollars per tree removed. This fee shall be placed into a fund dedicated to tree planting and continued maintenance of the trees.

§22-11.4 EXEMPTIONS:

All persons shall comply with the tree replacement standard outlined above, except in the cases detailed below. Proper justification shall be provided, in writing, to the Borough by all persons claiming an exemption. Proper justification may include photos or statements from a NJ licensed tree expert, as per N.J.S.A. 45:15C-11 or an arborist:

Re: Tree Removal Along County Roads
 New 2024 Shared Services Agreement and Request Form

Dear Mayors, Administrators, Clerks and Municipal Engineers:

As many of you know, the County of Bergen is responsible for County Roads only from curb lines to curb lines. The County is not tasked with repairing sidewalks, maintaining curbs or removing dead or dying trees located along County Roads. Nevertheless, in an effort to assist Municipalities, the County has provided limited tree removal services for dead or dying trees located within public rights-of-way on County Roads.

The County intends to continue to furnish this limited service. In a recent prior communication, the County mailed proposed Shared Service Agreements to all Municipalities outlining a process that would allow towns to continue to obtain tree removal services. In an effort to update and streamline the process required to continue to participate in the tree removal program, as of January of 2024, the County will require that Municipalities seeking to secure limited County tree removal assistance enter into one revised Shared Services Agreement that will cover a period of five years. The Agreement defines County and Municipal responsibilities, necessitates indemnification of the County, conditions services on the provision of Certificates of Insurance and sets forth the steps to be followed to initiate tree removal requests.

Please note that this letter supersedes my prior letter to you on this subject dated August 28, 2023. The prior agreement was limited in scope in that a separate agreement was required each time a tree removal took place. This new procedure will allow you to pass a Resolution, sign the new Shared Services Agreement, and implement a process that will remain in effect for the next five years. The instructions below should be followed precisely so that this streamlined process can be implemented early in 2024.

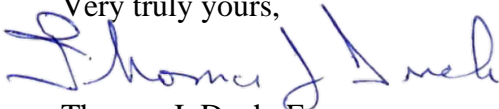

Enclosed herewith are two documents: 1.) the **2024 Shared Service Agreement** and 2.) the separate **Request Form for Tree Removal Services**. Any Municipality wishing to participate in the tree removal program must sign and return the Shared Service Agreement together with a copy of a Municipal Resolution authorizing execution of the Agreement as well as a Certificate of Insurance that complies with the terms of the Agreement and names the County as an additional insured. The Agreement and accompanying documents should be returned to: **County of Bergen, Office of the County Counsel, One Bergen County Plaza, Room 580, Hackensack, NJ 07601**. Once received, the County will return a fully executed Agreement to the Municipality.

Only when a Municipality and the County have executed the enclosed Shared Service Agreement will the County be able to provide tree removal services in 2024 and beyond. A Municipality will be able to request tree removal services throughout the five-year term of the Shared Services Agreement by completing the enclosed Request Form for Tree Removal Services and forwarding the request, along with a current Certificate of Insurance, to the County at treerequest@co.bergen.nj.us. Please note that a current Certificate of Insurance must accompany each Request for Tree Removal Services. Upon receipt of a Request Form and Certificate of Insurance, the Bergen County Department of Parks Forestry Office will investigate the situation and respond to the Municipality.

Again, while the County is not obligated to remove any trees, the County intends to continue to assist its communities and provide this service under the conditions outlined above.

Any questions regarding the 2024 Shared Services Agreement or Request Form/process can be directed to treerequest@co.bergen.nj.us or to the Bergen County Department of Parks Forestry Superintendent.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Thomas J. Duch".

ONE BERGEN COUNTY PLAZA
HACKENSACK, NJ 07601-7076**

THIS AGREEMENT is made this ____ day of _____ 2024, by and between:

COUNTY OF BERGEN, a body politic of the State of New Jersey, with administrative offices at One Bergen County Plaza, Room 580, Hackensack, New Jersey 07601-7076, hereinafter referred to as the “COUNTY;” and

_____, a body politic of the State of New Jersey with administrative offices at _____, hereinafter referred to as the “MUNICIPALITY.”

WITNESSETH:

WHEREAS, while it is not the responsibility of the COUNTY to remove dead or dying trees within the municipalities of Bergen County, said removal being the responsibility of the individual municipality in which a tree is located, the COUNTY does assist local municipalities with the removal of dead or dying trees located within the public right of way along COUNTY roadways on a limited basis and only when the COUNTY determines that it is appropriate to provide such assistance and that the COUNTY has the resources to provide such assistance; and

WHEREAS, the COUNTY provides municipalities with tree removal assistance pursuant to Shared Service Agreements with municipalities when the COUNTY determines, in its sole and absolute discretion and pursuant to COUNTY criteria, that it is appropriate to provide such assistance; and

WHEREAS, pursuant to such Shared Service Agreements participating municipalities may send written requests to the COUNTY for assistance with regard to the removal of a particular tree or trees, with such requests subject to review by the COUNTY; and

WHEREAS, MUNICIPALITY seeks to enter into a Shared Services Agreement with the COUNTY allowing it to request assistance from the COUNTY with regard to individual tree removal; and

WHEREAS, the Uniform Shared Services and Consolidation Act (N.J.S.A. 40A:65-1 et seq.) promotes the broad use of shared services as a technique to reduce local expenses funded by property tax payers; and

WHEREAS, the Uniform Shared Services and Consolidation Act (N.J.S.A. 40A:65-1 et seq.) allows any local unit to enter into an agreement with any other local unit or units to provide or receive any services that each local participating in the Agreement is empowered to provide or receive within its own jurisdiction, as set forth in N.J.S.A. 40A:65-7(4); and

WHEREAS, pursuant to N.J.S.A. 40A:65-5, the COUNTY and MUNICIPALITY have each adopted resolutions authorizing entry into this Agreement, copies of which are annexed hereto as exhibits,

NOW, THEREFORE, BE IT AGREED, in consideration of the promises and of the covenants, terms, and conditions hereinafter set forth, the COUNTY and MUNICIPALITY agree to perform in accordance with the provisions, terms and conditions set forth in this Agreement as follows:

1. PROCEDURES GOVERNING TREE REMOVAL REQUESTS. MUNICIPALITY understands and acknowledges that the COUNTY has no obligation to remove any trees within the MUNICIPALITY, whether dead, dying or otherwise and that the COUNTY'S willingness to assist in the removal of any trees constitutes the voluntary act of the COUNTY in an effort to assist municipalities within the COUNTY to the extent it is able to do so. MUNICIPALITY further understands and acknowledges that the COUNTY may terminate this assistance policy at any time as provided hereunder.

Specific procedures for requesting assistance with regard to tree removal are as follows:

- a) MUNICIPALITY may submit to the COUNTY individual requests for the removal of a dead or dying tree(s) located solely on COUNTY roadways by completing a form (the "Request Form;" sample attached hereto) provided by the COUNTY.
- b) Said completed Request Form shall be returned to the COUNTY via email to treerequest@co.bergen.nj.us. Any questions can be directed to treerequest@co.bergen.nj.us or to the Bergen County Department of Parks Forestry Superintendent.
- c) Upon receipt of said completed Request Form, the COUNTY shall inspect and evaluate the tree(s) proposed for removal. Upon completing said inspection, the COUNTY shall notify the MUNICIPALITY as to whether it will remove said tree(s) or whether it is not willing to remove said tree(s). There shall be no time limit within which the COUNTY shall complete its inspection or advise the MUNICIPALITY as to its decision to remove said tree(s).
- d) The COUNTY alone shall have the discretion to determine whether it will remove said tree(s) based upon COUNTY criteria established in the sole discretion of the COUNTY.
- e) In the event the COUNTY elects to remove the tree(s), the COUNTY work shall be strictly limited to the removal of the tree(s). The COUNTY shall not be responsible for the completion of any repairs to the sidewalk/curb adjacent to the tree(s) or for any other repairs/work in connection with the removal of the tree(s).
- f) In the event the COUNTY elects to remove the tree(s), the MUNICIPALITY shall provide uniformed police officers/patrol cars at the sole cost and expense of the MUNICIPALITY as required for the safety of all workers engaged in the removal of the tree(s) as well as members of the general public.

2. MUNICIPALITY INSURANCE OBLIGATIONS.

- a) Required Minimum Insurance Coverages. During the performance of all COUNTY tree removal operations the MUNICIPALITY shall, at its own cost and expense, maintain the minimum insurance coverages outlined below.
- i) Workers' Compensation and Employer's Liability insurance in the minimum amount of One Million Dollars (\$1,000,000.00).
 - ii) Commercial General Liability insurance with limits of at least One Million Dollars (\$1,000,000.00) Per Occurrence/Two Million Dollars (\$2,000,000.00) Aggregate for bodily or personal injury, including death, and property damage, including contractual liability coverage with limits not less than said amounts above.
 - iii) Commercial Automotive Liability in the minimal amount of One Million Dollars (\$1,000,000.00) Combined Single Limit.
- b) Required Certificate of Insurance. Prior to the performance of any tree removal work, the MUNICIPALITY shall provide the COUNTY with a Certificate of Insurance on Accord Form 25 or its equivalent.
- i) Each time the MUNICIPALITY submits a completed Request Form for the removal of a specific tree(s) to the COUNTY via email (to treerequest@co.bergen.nj.us), the MUNICIPALITY will also include in the email a scanned copy of the required Certificate of Insurance.
 - ii) The Certificate of Insurance shall set forth evidence that the coverages required hereunder are/will be in full force and effect at the time of tree removal services.
 - iii) The MUNICIPALITY shall furnish copies of any endorsements that are subsequently issued amending limits of coverage.
 - iv) The Certificate of Insurance shall name the COUNTY as Certificate Holder and Additional Insured under the Commercial General Liability and Commercial Auto Liability policies.
 - v) The Certificate of Insurance shall provide for at least thirty (30) days prior written notice to the COUNTY of the cancellation or material modification of any policy of insurance maintained pursuant to this Shared Service Agreement.
 - vi) All such coverages are to be provided on a "primary" basis regardless of any other insurance the COUNTY may have or may elect to obtain.

3. INDEMNIFICATION.

- a) The MUNICIPALITY shall indemnify, defend and hold harmless the COUNTY and all of its departments, directors, officers, employees and representatives against all costs, claims, damages, demands, liens, losses, actions or liabilities of any kind which may be asserted against them including, without limitation, reasonable attorneys' fees, statutory or administrative fines or penalties, and litigation costs to the extent such arise out of or are in connection with, directly or indirectly, this Shared Service Agreement or the performance of the tree removal work provided for herein, whether or not negligence on the part of the COUNTY or its employees, officials, agents or representatives contributed thereto.
- b) The MUNICIPALITY agrees that the COUNTY shall have no liability to the MUNICIPALITY for damages, whether arising under theories of contract, tort, or warranty. The MUNICIPALITY further agrees that the COUNTY, its officers, managers, affiliates, representatives, subcontractors, and employees will not be liable for any indirect, special, incidental or consequential damages, even if the COUNTY has been advised of the possibility of such damages.

4. TERM. The term of this Agreement shall be for five (5) year(s), commencing on _____, 2024 ("Effective Date") and continuing through _____, 2029, unless terminated sooner as provided in this Agreement. The COUNTY alone has the option to renew the Agreement.

5. TERMINATION. Notwithstanding any other term in this Shared Service Agreement, the COUNTY and the MUNICIPALITY retain the right to terminate this Agreement at any time and for any reason, including convenience, by providing thirty (30) days' notice to the other party.

6. DISPUTE RESOLUTION. In the event of a dispute, whether technical or otherwise, a Party must request Non-Binding Mediation and the other Party must participate in the mediation prior to and as a condition precedent to the commencement of any litigation in a court of law. The costs of such Non-Binding Mediation shall be shared equally between the COUNTY and the MUNICIPALITY. The Mediator shall be a retired Judge of the Superior Court of New Jersey or other professional mutually acceptable to the Parties and who has no current or on-going relationship to either Party. The Mediator shall have full discretion as to the conduct of the mediation. Each Party shall participate in the Mediator's program to resolve the dispute until and unless the Parties reach agreement with respect to the disputed matter or one Party determines in its sole discretion that its interests are not being served by the mediation. Mediation is intended to assist the Parties in resolving disputes over the correct interpretation of this Agreement. No Mediator shall be empowered to render a binding decision. Upon the conclusion of Mediation, either Party may commence judicial legal proceedings in the appropriate division of the Superior Court of New Jersey venued in Bergen County.

7. NOTICES. All notices and other communications required or permitted to be given to or served upon the COUNTY shall be in writing. Any such notices or communications shall be sufficiently given or served if delivered in person or sent by certified or registered mail to the following:

8. MISCELLANEOUS.

- a) Authorization. Both parties have the power and authority to enter into this Agreement. The execution and delivery of this Agreement is valid and binding upon the parties, with both attesting to the genuineness of all resolutions executed in connection herewith.
- b) Non-Assignment. Neither party may assign this Agreement or any rights hereunder without the prior written consent of the other party.
- c) Entire Agreement. This Agreement, including any attachments, contains the sole and entire Agreement between the parties and supersedes all prior agreements or understandings between the parties, whether oral or written, and may not be modified except by a writing duly executed by both parties.
- d) Force Majeure. - e) Non-Waiver. The failure of a party to insist on strict performance of any term of this Agreement, or to exercise any right or remedy under this Agreement, shall not constitute a waiver or relinquishment of any nature regarding such right or remedy or any other right or remedy.

- f) Employment Reconciliation. No employees are intended to be transferred from the MUNICIPALITY to the COUNTY pursuant to this Agreement. MUNICIPALITY represents that no employees are intended to be terminated for reasons of efficiency or economy as a result of entry into this Agreement.

- g) Counterparts and Electronic Delivery and Signatures. This Agreement and any amendments or addenda hereto, or any other document necessary for the consummation of the transaction(s) contemplated, administered or controlled by this Agreement (“Agreement Documents”), may be executed and delivered in any number of counterparts, each of which so executed and delivered shall be deemed to be an original and all of which shall constitute one and the same instrument. Any Agreement Document, to the extent delivered by means of a facsimile machine, electronic mail, or other electronic means, shall be treated in all manner and respects as an original agreement or instrument, and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person or via mail. The Parties agree that Agreement Documents may be accepted, executed, or agreed to through the use of an electronic signature in accordance with the Uniform Electronic Transaction Act, N.J.S.A. 12A:12-1 et seq., and any associated regulations. Any Agreement Document accepted, executed or agreed to in conformity with such laws will be binding on all Parties the same as if it were physically executed, and all Parties hereby consent to the use of any third party electronic signature capture service providers as may be chosen by the COUNTY.
