#### I. BACKGROUND

Neglia Engineering Associates understands that the Borough of Bogota anticipates receiving a Bergen County Community Development Block Grant for Linwood Avenue from Palisade Avenue to Queen Anne Road. The project will include but not be limited to limited roadway reconstruction, milling, paving, concrete sidewalk, concrete curbing, and drainage improvements. Therefore, the Borough will be required to include capital funding to complete this project's scope as we anticipate that the allotted grant funding will be less than this estimate. This proposal addresses surveying, engineering, bidding, and construction management services to be provided for this project.

- 4. Any work required with NJDEP, NJDOT or other state agencies will be billed on a per diem basis in accordance with our rates.

In addition, we rely solely on the Borough's Financial Department to review Certified Payroll in regard to current wages. This proposal does not include any environmental services in regard to soil testing and disposal and will solely rely on the Borough's Licensed Site Remediation Professional (LSRP) for such.

However, if Client objects to all or any portion of any invoice, Client shall so notify Neglia in writing of the same within fifteen (15) days from date of invoice, give reasons for the objection, and pay that portion of invoice not in dispute. Client shall pay an additional charge of one and one-half percent (1 1/2%) of the amount of the invoice per month for any payment received by Neglia more than thirty (30) days

from the date of invoice. Payment thereafter shall first be applied to accrued interest and then to the unpaid principal. The additional charge shall not apply to any disputed portion of any invoice resolved in favor of Client. In the event of a legal action brought by Neglia against Client for invoice amounts not paid, Attorneys' Fees, Court Costs, and other related expense shall be paid to the prevailing party by the other party.

**ARTICLE II - PROFESSIONAL RESPONSIBILITY:** Neglia represents that Services shall be performed, within the limits prescribed by Client, in accordance with the 'Scope of Services' contained in the Proposal and in a manner consistent with that level of care and skill ordinarily exercised by other comparable professional engineering firms under similar circumstances at the time the Services are performed. ARTICLE III - LIMITATIONS OF LIABILITY: The liability of Neglia, its employees, agents, and subcontractors (hereinafter for purposes of this Article III referred to collectively as "Neglia"), for Client's claims of loss, injury, death, damage or expense, including, without limitation, Client's claims of contribution and indemnification with respect to third party claims relating to the Services or to obligations imposed, hereunder, (hereinafter, "Client's Claims") shall not exceed the aggregate: (1) the total sum of Neglia's fee or \$50,000.00, whichever is greater, for Client's Claims arising out of professional negligence, including errors, omissions or other professional acts, and including unintentional breach of contract; or (2) the total sum of \$250,000 for Client's Claims arising out of negligence, or other causes for which Neglia has any legal liability, other than as described in (1) above.

For this purpose, such acts or events shall include, but not be limited to, unusual weather affecting performance of the Services, floods, epidemics, war, riots, strikes, lockouts, or other industrial disturbances, protest demonstrations, unanticipated site conditions, and inability, with reasonable diligence, to supply personnel, equipment or material for the Services. Should such acts or events occur, both parties shall use their best efforts to overcome the difficulties and to resume as soon as reasonably possible the normal pursuit of the Services.

ARTICLE VII - TERMINATION AND SUSPENSION OF WORK: The obligation to provide further Services under this Agreement may be terminated by either party upon fourteen (14) days written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party. In the event of termination, Neglia shall be paid for all services rendered up to and including the date of termination. The parties agree that Neglia may elect to suspend providing services under this Agreement if payment of any invoice is not made within thirty (30) days of the date of the invoice as provided in Article I. In the event that the termination was initiated by the Client, Client agrees to pay Neglia Engineering Associates an additional ten percent (10%) of the total fee earned by Neglia Engineering Associates.

ARTICLE VIII - REUSE OF DOCUMENTS: All documents, including Drawings and Specifications prepared by Neglia pursuant to this Agreement, are instruments of service in respect to the Project. They are not intended or represented to be suitable for reuse by Client or others on extensions of the Project or on any other Project. Any reuse, without written verification of adaptation by Neglia for the specific purpose intended, will be at Client's sole risk and without liability or legal exposure to Neglia; and Client shall indemnify and hold harmless Neglia from all claims, damages, losses and expenses including Attorneys' fees arising out of or resulting there from. Any such verification or adaptation will entitle Neglia to further compensation at rates to be agreed upon by Client and Neglia.

Neither Client nor Neglia shall assign, sublet, or transfer any rights under, or interest in, this Agreement without the written consent of the other party, except as set forth below. Unless specifically stated to the contrary, in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent Neglia from employing such independent consultants, associates, and subcontractors, as it may deem appropriate, to assist in its performance of services, hereunder. Nothing herein shall be construed to give any rights or benefits hereunder to anyone other than Client and Neglia.

ARTICLE XI - ARBITRATION: All claims, counterclaims, disputes and other matters in question between the parties, hereto arising out of or relating to this Agreement or the breach thereof, will be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association.
