January 1, 2024
Dear Bogota Resident:

It is my pleasure to wish everyone a very Happy and Healthy New Year. This year will bring continued sustainable practices to our Borough, and each and every one of you can be a part of our success and make a difference to our community, our environment and conserving our resources. We thank Mayor Kelemen for his remarkable and dedicated service to our Borough. I will continue his focus on public health and keeping you and your families safe.

I am pleased to present you with our new Borough Garbage and Recycling Calendar for 2024. This is your guide for the entire year. There will also be copies available in the Clerk's Office, as well as on the Borough website in case you misplace it.

Bogota takes recycling and sustainable practices very seriously, and I am proud to announce Bogota has been awarded recertification of its Sustainable Jersey Bronze Award for its exemplary practices. We continue to explore many new options to enhance services to our residents and respond to their recycling center concerns. Our recycling depot is currently located at Cross Street on River Road across the parking lot from QuickChek, where it collects many types of recyclables such as: used cooking grease, waste oil, cardboard, fluorescent bulbs, bottles, cans, used tires, and metal. You may also drop off textiles and shoes at the Crimestopper bin at QuickChek to support this very successful program. Feel free to call Borough Hall at 201-342-1696 for more information. We will continue to pick up recyclables at your curb every Wednesday throughout the year. Our services have been and will always be generous to our residents. We continue to collect plastic film at the Borough Hall, Library and Police Station bins as well as unused prescription drugs at our police station. The amount of material collected is impressive and helps us maintain our Sustainable Jersey certification that I am personally proud of and provides us with Clean Communities funding and other grants.

The last few years have been extremely challenging for everyone and the cost of living continues to increase. I know it has not been easy. However, our community spirit and assistance to those in need is what makes us strong. Bogota is full of very warm and generous residents who help their neighbors. I challenge our local businesses to enhance and increase their recycling, and we offer our assistance where needed. Businesses are a vital part of our community and you can join our sustainable efforts.

Finally, I thank all of you for your continued efforts. I am honored to be chosen as your Mayor of this wonderful community. Always feel free to contact me anytime. Continue staying healthy and safe, and always continue to recycle every day.

Daniele Fede
