He reported that there will be a seminar at the end of March explaining how they measure decibel levels which he might attend. He said that the work was completed on Hose 2 Firehouse roof. He reported that the Chiefs said that two generators were mentioned in the last firetruck bond ordinance, and they need the generators to open the firehouse doors in case of a power outage. Mr. Scarpa said that he will look into the bond ordinance. (Mr. Scarpa reminded him that the schools gave the firehouse a generator that was the wrong size for the schools.)

Councilman Napolitano said that the CFO met with the auditor and the administrator. The budget should be introduced at the next meeting. Suggestions included an over 55 development or a supermarket. He would like to hear what the public would like to see there. He spoke to the County about the potholes on Main Street. The County will be paving Main Street from Hackensack to Teaneck, and River Road will be repaved next year.
